A Local, Hometown Lender

Specializing in residential purchase mortgage lending, Carnegie Mortgage Partners is headquartered in Oradell, New Jersey, and focuses on serving borrowers across the state. Our Loan Officers offer the highest level of expertise and personal attention to each individual client we serve while providing outstanding communication and a local presence.

Part of the Keller Williams - Bergen County Partners® Family

We're proud to boast about our relationship with Keller Williams - Bergen County Partners®—the agents are highly supportive, involved, and are a true partnership. Their high expectations, accountability, and engagement for agents and staff and their promotion of Carnegie Mortgage Partners translates into very high volume and success rate.

Thanks to their support, we proudly hit a 20% success rate in a top market center within the first 90 days of launch.

Loan Products that Serve Your Bottom Line

We offer all the standard conforming and government products (conventional, FHA, VA, USDA) plus a massive library of jumbo and non-QM programs. This means you can help non-traditional borrowers finance manufactured homes, non-warrantable condos, renovations, investments and more through our asset qualifier, ITIN, foreign national and other non-QM solutions.

Let's discuss your future! Contact me today to learn more about Carnegie Mortgage Partners.
